GOVERNMENT'S MOTION TO STRIKE DOCKET ENTRY 2029

The United States of America, by and through the undersigned, files the instant Motion to Strike Docket Entry 2029. On March 19, 2012, the undersigned inadvertently filed Defendant Musse Ahmed Ali's motion as a response. (DE 2029). The filing was error. The Government has resubmitted its intended response. (DE. 2030). The Government apologizes for this error. In the course of two months, the Government has responded to over 200 motions. The Government does not offer justification; but rather, an apology. As a result of its unintended error, the Government moves to strike Docket Entry 2029. The Government has properly responded to Defendant's Motion at Docket Entry 2030.

Respectfully submitted,

JERRY E. MARTIN
United States Attorney
